Facility

The Hope Place is located on 10 acres in Mansfield, Texas.

We don't look like your typical mental health center and we designed it that way on purpose...

The Whole Family.

Our clients have usually experienced a trauma or big life transition that keeps them stuck and confused.

Our clients are new to therapy or have found our unique approach to be more helpful.

Our Approach

Much like the fletching of an arrow, we aim to be the guide that keeps our clients on target.

Compassion doesn't keep score.

@hopeplacetx

The Hope Place is a private pay facility.
